## BARN PAINT

Right now there is a thief prowling 'round your barn

WHEREVER there is a patch of bare or poorly painted surface, there he destroys the fibre and steals the value.

His name is Rot, and he'll rob you every day until he is driven off and kept off by the constant application of Paint.

Devoe Barn Paint defeats Rot for years. It coats the wood with a tough long lasting film that resists the action of the air, sun and rain. It makes farm buildings last longer, look better, and worth more.

Devoe Products are time-tested and proven, backed by 168 years' experience of the oldest paint manufacturing concern in the U. S. Founded 1754
